Sealing kit IP 54

Application

Sealing kit for rough application conditions.

Versions

	Part no.
Sealing kit IP 54	43416

Blue part no. = in-stock items

Description

Suitable for all wall mounting (10/2007 and later housings of the WATCHDOG-LINE alarm units). The sealing kit is easy to mount between the housing cover and base. This increases the degree of protection of the alarm unit to IP 54.
