

# Temperature controller ZPR

- On-off controller
- Ideal for heated gas sampling lines and gas sampling probes
- Version for DIN rail mounting or front panel mounting
- With relay output or analogue output

Version for front panel mounting.

**Application** Electronic on-off controllers for monitoring and controlling electrically heated gas sampling lines or gas sampling probes.

**Description** The electronic on-off temperature controllers are available in the following versions:

- DIN rail mounting
- Front panel mounting

The series ZPR temperature controllers control and monitor the temperature in gas lines. They are optionally available with analogue output.
