

# Pressure gauge RF 50 PPS for pump test set

**Description** Pressure gauge for checking the pressure and suction capacity at oil burner pumps. Preferably in conjunction with standard pump test valve with G $\frac{1}{8}$ .

## RF 50 PPS D 101 - without glycerine filling

### Technical specifications

**Housing diameter**  
50 mm

**Connection**  
G $\frac{1}{8}$ B bottom without sealing plug

**Housing**  
Plastic

**Window**  
Plastic

**Accuracy class (EN 837-1/6)**  
1.6

## RF 50 PPS D 601 - with glycerine filling

**Housing diameter**  
50 mm

**Connection**  
G $\frac{1}{8}$ B bottom without sealing plug

**Housing**  
Plastic with crimped bezel

**Window**  
Plastic

**Accuracy class (EN 837-1/6)**  
1.6
