	Part no.
Level sensor tester GPR 4	62301

Blue part no. = in-stock items

Description

Simple level sensor tester with connector, suitable for all level sensor fittings. A signal lamp indicates function or error. Battery operation. Delivery with level sensor connection fitting, also suitable for level sensor with brass fitting.

Technical specifications

Operating temperature range

Ambient: 0/40 °C
Storage: -10/+60 °C

Weight

0.4 kg (total weight)

Dimensions

W x H x D: 70 x 125 x 35 mm

Degree of protection

IP 30 (EN 60529)

Connection level sensor

0.8 m connection cable with coupling socket 903

Supply voltage

2 x 9 V monobloc battery
